

## TREATMENT & CONSULTATION ROOM

**DIMENSIONS:**  
141cm (H) x 57cm (W)

### DOHERTY PANEL SCREEN SYSTEM

This screen system is designed to provide a modern alternative to the traditional plastic and polyester screen curtains. The system is available to fit to Doherty epoxy coated or chrome screens. It can also be fitted to existing Doherty screens to allow upgrading to a solid panel system. The 4 colour finishes coordinate with the Doherty Howarth range of trolleys and the Doherty range of couches.

- Easy to clean hygienic construction with high specification fire retardant plastic panels
- Simple to fit to new or existing Doherty screens
- Choice of white or 3 coordinating colour options
- Panels cover full frame of screen for complete privacy
- 4 panels per kit supplied with all required fastenings and fitting instructions
- Minimal assembly required

### PANEL SCREEN KIT WITH WHITE PANELS
